

Welcome to Wilton Congregational Church's Spiritual Gift Test!

All of us want to be best person that God created us to be. As Christians, we believe that God created each of us as unique individuals and that God gives us the ability to make unique contributions that will bring glory to God and make our world a better place. Scripture tells us that Spiritual gifts are abilities that God gives us to do this. They differ from our own skills and talents in that Spiritual gifts come not completely from our own effort, they are enhanced by God. Healthy and vital churches are filled with people who are using their spiritual gifts.

In January, 2016 we will explore Spiritual Gifts as Rev. Anne, Ken, and Candice teach about them in a month long sermon series. We encourage you to take this Spiritual Gifts test as a way to deepen your exploration. Please look for opportunities to learn more about and to use your particular spiritual gifts as they are offered throughout the life of our church. And don't hesitate to email or call Anne (anne@wiltoncongregational.org or 203-762-5591) if you have any questions!

A quick word about the spiritual gifts test: Just answer the questions honestly and be relaxed about it – you are not getting a grade on this! Each believer has at least one spiritual gift and that means you! It helps if you pray for God to guide you before you start the test. And don't worry if a question doesn't make sense to you, just let Anne know. We will be answering your questions about the test during the sermon series!

We have this test courtesy of the Rock Church in California. They are a church near the site of the recent San Bernardino shooting. They cared for the survivors in the immediate aftermath of the tragic event.
