

A Vibrant Community – continued

We are called to help people connect more deeply to God, to themselves and to one another. Side by side, we seek relevant answers to life's challenging questions and meaning in a tumultuous world. Wilton Congregational Church is a touchstone for what matters most: a safe haven amidst the storm, a place to explore faith and expand perspectives, a sanctuary in which to honor and celebrate life's most cherished moments.

Faith is meant to be experienced—not just preached—so, we roll up our sleeves and lean in, building houses, preparing meals, restoring the environment. Ours is an active ministry, a sacred journey of growth, hope and fellowship. At WCC, your mind and heart are nourished as much as your soul.
