

What We Believe – continued

It's a vision that stems from our core values:

- Compassion & Caring
- Commitment & Persistence
- Honesty & Integrity
- Community & Family
- Spirituality & Faith in God
- Excellence

That they may all be one (John 17:21) reflects the spirit of unity we embrace at Wilton Congregational Church. Our arms and hearts open wide to all who seek to know God. A welcoming, justice-minded Christian community, we follow God's all-loving, inclusive lead, working together toward a more sustainable and peaceful world. We believe that testimonies of faith are more powerful than tests of faith, and walk our spiritual talk wherever life takes us.

We believe that God is still speaking and that the Bible is alive with new insights and relevant guidance for navigating today's world. And we believe that we are each called to use our unique spiritual gifts to minister to others and spread the good news of Jesus Christ.
