

## Annual Christmas Pageant

Each year at WCC, a special Christmas pageant is orchestrated, where “actors” of all ages are recruited. All who wish to participate will have a role - there are roles for adults, teens and children. This thrilling production is filled with beautiful music, dramatic lighting and scenery and authentic costumes. After several weeks of rehearsals, the final production is performed on a Sunday in December, in lieu of regular worship, and takes the audience back in time – to reenact the marvel of the Christmas story.
