

Children's Easter Egg Hunt

Each year (the Saturday before Easter), WCC hosts a special egg hunt for children in Pre-K through 5th grade. Children are invited to bring their own basket and congregate with their families in Pilgrim Hall. Just before the hunt, our Senior Minister gives a blessing and the children are released to the church courtyard to begin their hunt. Little ones have their

own area to search for eggs, while the older children are free to roam for the hundreds of eggs hidden somewhere near. When the hunt is over, families are invited to enjoy complimentary hot dogs, chips and cookies.
