

## **Board of Fellowship**

Connecting with each another on a personal level is central to our lives as Christians. Amidst the laughter and conversation, we witness God in the faces of friends, old and new. The Board of Fellowship provides engaging opportunities for members to come together and socialize.

From Sunday coffee hour to women's fellowship luncheons, chili cook-offs to special receptions, the Board creates meaningful, creative and fun events that encourage us to let our hair down, get better acquainted and deepen our friendships with one another.
