

Board of Membership

Visitors are often struck by the palpable energy at WCC, whether during worship, fellowship or outreach activities. The Board of Membership warmly welcomes visitors and prospective members, answering questions, inviting them to worship and introducing them to our church family. The Board also hosts evening and after-church informational sessions that allow newcomers to get better acquainted with the Senior Minister, the lay leadership and the operations of the church. New members are cause for celebration and the Board makes certain that they're enthusiastically welcomed at a special reception, reminding them that this place is their spiritual home.
