

## **Board of Mission & Service**

The heart of WCC is its members—people with the passion, energy and commitment to serve society and transform lives. Called to spread God’s message of hope and love, the Board of Mission and Service seeks opportunities to provide Christian outreach and love to others, both near and far. Sleeves rolled up and hearts open, we step out in action through a variety of ministries that allow us to use our individual and collective spiritual gifts for the benefit of all. In doing so, we grow closer with one another and with God. The Board researches and discerns where the challenges are greatest, then develops hands-on, church-wide programs to help meet those needs. In addition, the Board provides financial and volunteer assistance to numerous mission partners.
