

## **Board of Music**

WCC is blessed with a gifted and creative Director of Music Ministries who, along with the church's vocal and instrumental choirs, fills the sanctuary with melodies ranging from traditional to gospel to contemporary Christian rock. The Board of Music supports these multi-generational programs with the goal of providing inspiration, joy and comfort to the congregation through song. In addition to the traditional adult choir, the Board helps guide the English Handbell choir, and the annual Christmas pageant. Musicians, vocalists and non-performers with a passion for melody, Board members find the Holy Spirit vibrantly alive in the church's musical worship.
