

Board of Trustees

At WCC, we intelligently and prayerfully steward God's money with integrity and excellence. The Board of Trustees serves as the church's fiduciary, ensuring the financial well-being of the parish and the responsible investment and distribution of its assets. As guardians of WCC's property and business affairs, the Board prepares annual budgets, allocating funds to other Boards and Committees, and appropriates budgetary procedures and fiscal controls throughout the church. Additionally, the Board safeguards the financial holdings of the church and its two cemeteries, managing, investing and reinvesting those assets in the best long- and short-term interest of the parish.
