

Cemetery Affairs Committee

Set on 27 tranquil acres, Hillside Cemetery operates under the loving and watchful eye of The Cemetery Affairs Committee. Deeded to the church in 1818, it is the town's largest and most notable community cemetery, welcoming families of all faiths. The Cemetery Affairs Committee oversees the property's annual development and maintenance expenditures while creating a sound, self-sustaining financial plan for perpetual care and future expansion to meet the Wilton community's needs.
