

Executive Board

The Executive Board comprises WCC's lay leadership. Acting in the best interest of the church, it keeps a vigilant watch on the well-being of WCC's ministries, activities and policies, offering guidance and strategic thought where needed. Lead by the General Chairman and Vice Chairman, the Executive Board is comprised of the lay leaders from each of the church's boards and committees. Together, these energetic, dedicated women and men ensure that the church continues to be the relevant, living beacon of Christianity that it is today.
